

# Ten reasons to choose Blue Student Health<sup>SM</sup>

## 1. National and international coverage

The Blues give you access to the largest hospital and physician networks in the United States, and in more than 200 countries around the globe.<sup>1</sup>

## 2. 24/7 nurse helpline

A health care professional is never more than a phone call away.

## 3. Health care reform-compliant

Our coverage meets the requirements of the Affordable Care Act and is competitively priced.

## 4. Care coordination with your student health center

Our coverage works with your college or university's student health center.

## 5. Mobile app for Android™ or iPhone®

Forgot your ID card? No problem. Just bring up a copy of your ID card on your phone and show it or email it to your doctor.

## 6. Secure online resources

Make informed health decisions. Find doctors and hospitals near you and read reviews from other patients. Access a health library and cost estimates for common procedures, tests, and health care visits with enhanced tools from WebMD®.

## 7. Student discount vision program\*

Students enrolled in Blue Student Health have access to special pricing on eye exams, eye wear, and contact lenses through the Davis Vision discount program.\*

## 8. Prescription coverage

The doctor has given you a prescription. Now what? Relax, we have you covered with a prescription benefit plan.

## 9. Value-added discounts on health and wellness products

Stay healthy, have fun, and save money with value-added discounts on alternative health and wellness products and services.<sup>2</sup> It's included as part of the Blue365® program.

## 10. Reputation

One out of every three Americans carries a Blue Cross® and Blue Shield® card for their health insurance.<sup>3</sup> That's not a coincidence. With over 75 years of experience, we know insurance coverage.

“ Our coverage works with your college or university's student health center. ”
